

FIRST PURPOSE

What is my purpose? Does God really have a plan for my life? How can I find out what God wants me to do? If you have ever asked yourself one or all of these questions, then First Purpose is for you. This class is designed to help you discover the specialized gifts and abilities God has given you and how you are supposed to use those gifts in His plan. A Note From John Meador

We take great delight in helping you be the very best you can be in Christ! Part of our calling is to “equip” people to live life successfully and powerfully through a growing relationship with Jesus Christ and His Word. Our Grow Classes help do that. This is our second year of this “growing” ministry – classes targeting the goal of becoming a fully developed follower of Christ. Look the selection over, pray about how you’d like to be involved, and join us for Grow Classes.

During our Wednesday evening sessions we provide child care ministries and electives for all ages of children through youth. There is something for everyone!

10,000 Blessings,
John Meador
